

Moving to PA

Step 1: Visit (in person) a PA Driver's Licencing Center, to get your PA Driver's Licence.

You will need: out of state Driver's Licence

Birth Certificate

Social Security Card

Proof of Residency

Step 2: Get PA Auto Insurance Policy. You cannot receive a PA Registration (plate) without having valid PA Auto Insurance.

Step 3: Bring in your original Out of State Title, Valid PA Driver's Licence or PA Photo ID, and Valid PA Insurance card into our office to get your PA Title and PA Registration (Plate) processed.

Financed Vehicle Title Request

PA requires the original out of state title to get a PA Title and a PA Registration (Plate). If your title is being held by a Financial institution (you have an auto loan), then you will need to request the title to be sent to the Tag Service.

Step 1: Contact your Financial Institution. Let them know you have moved into PA from another state and you require the Fax or email information for a title request to be sent. Also, make sure you have an attention for the request if they require it and a loan or account number.

Step 2: Come into the office with the information from step 1 and sign the request for us to be sent out. If the Title is in 2 names, both will need to sign the request.

Step 3: Once the original Title is received, you will be contacted to come in to have your title transferred and get PA Registration (Plate).
